CRADLE OF LIBERTY COUNCIL

May the 4th be with you in your fundraising.

Get Pledges and Take a Hike!

Units earn a 55% commission on all money raised to support your Scouts' adventures like summer camp, high adventure experiences, equipment, or anything Scouting-related. That's a better commission than most fundraisers!* The council portion supports camp maintenance and other projects, as well as covering the costs of items like patches and prizes.

MARCH 15 - MAY 15

The council hike will take place at Musser Scout Reservation on Saturday, May 4, 2024.
Units may hike on their own or participate in a district- or the council- organized hike.

GET OUTSIDE • RAISE $ • EARN ADVANCEMENT • GIVE SERVICE

*Can our unit just do this on its own without involving the council? The answer is no. BSA fundraising rules prohibit units from soliciting donations on their own for a variety of reasons. You can read more about fundraising policies at colbsa.org/fundpolicies.
