

Our 10th Year!

Especially
for Me

2020 Schedule of FREE Events at Discovery Museum

The Especially for Me event series offers dedicated hours and free museum admission for families with disabilities. We offer accommodations that increase access to museum exhibits and provide an opportunity for families to network with one another in an understanding environment.

The event titles indicate the types of accommodations provided, but any family that would benefit from a limited capacity visit is welcome. A medical diagnosis is not required. Dinner, including gluten-free options, is available at all evening events.

Preregistration required at www.discoveryacton.org/efm
