Dear Marines, Associates and Contributors,

On behalf of the Worcester Detachment 144, Marine Corps League Toys for Tots Committee, we would like to thank you for your generous contribution to the 2019 "Toys for Tots" program.

Through your generosity and efforts, we were able to accomplish another record year, collecting well over a thousand toys that were distributed to U-Mass Medical Children's Ward, individuals, organizations and churches that contacted us looking for help during the holiday season. After satisfying everyone that contacted us, any remaining toys were donated to "The Seven Hills Foundation" an organization that supports several agencies in the Worcester area and helps in the development of mentally challenged adults and children.

In addition, we were able to collect \$3676 in cash contributions. This money will be converted to a cashier check and will be presented to Toys for Tots Foundation.

Special thanks go out to John Balcunas, Frank Peepas, Pat Killoran for distributing and picking up collection boxes. Kathi Stanton and Patty George for sorting and organizing the distribution of toys.

Again, we can't thank you enough for your generosity in helping less fortunate individuals in our community. We look forward to working with you in future years.
