MONEY MATH CAMP

**WEEK 1- WELCOME TO THE REAL
WORLD!**

**WEEK 2- WHO WANTS TO BE A
MILLIONAIRE?**

WEEK 3- BUSINESS IN A BOX

Week 1- Lessons will focus on earning income, budgeting, and protecting assets. The week will culminate in a real-world simulation where students will visit various stations that will require them to pay for goods and services with money that they earn in their chosen career.

Week 2- Lessons focus on saving and investing. The week will culminate in trading simulations that will show students what it is like to trade stocks, bonds and commodities in a fast-paced environment.

Week 3- Regions Institute for Financial Education (RIFE) will be teaming up with Operation Hope to teach students Entrepreneurship.
