BeHERE Trainee Fund

Supporting Nevada's Future Professionals

- Exam registration fees
- Nevada licensing/certification board fees

- Current graduate student of a behavioral health program **OR** current postgraduate intern/fellow in a behavioral health profession.
- Currently residing in Nevada. ***Individuals whose permanent residence is outside of Nevada are not eligible to apply. This includes those who live out of state but practice (in-person or via telehealth) in Nevada.**
- To align with BeHERE NV's mission, applicants must intend to practice in Nevada after graduation from their academic program or completion of their pre-licensure internship/fellowship.
