

EPIPHANY UMC ADULT SMALL GROUPS FALL 2020

This Fall we are launching a wide range of small group offerings for our Epiphany family! But we will need to be particularly flexible this Fall. Where we meet may change at some point whether it is on-line or in person. Either way it is important for you to forge ahead and find ways to help your spiritual development with a group of people who will support and love you through this time. **GET INVOLVED! GET CONNECTED!** And most importantly **GROW!** If you see a small group that interests you please email the primary contact to see what the availability currently is for their group. Be flexible and seek out a group that would be a support to you! We intend to launch all small groups on the week of September 13-19. So check it out and get plugged in. Also, if you want to start another small group please contact me at sruss@epiphanyumc.org.
