

JOHN

The Gospel of Light and Life

This Lent spend 40 days in the Word of God with God and each other by reading through the Gospel of John. On the back of this card is a daily reading plan that will take you all the way through John during Lent, starting on Ash Wednesday and finishing on Easter Saturday.

Lent is a time to develop spiritual discipline and there is no better way of growing as a follower of Jesus than reading the Bible, being in the presence of God, and listening for God's voice in our lives.

WHY THE GOSPEL OF JOHN

The most theological of all four Gospels, John mainly focused on explaining who Jesus is, Jesus' divinity and humanity. John's gospel also invites us to explore the life and the light of Jesus through his life, teachings, death, and resurrection. We believe John 20:31 sums it up well, "These things are written so that you will believe that Jesus is the Christ, God's Son, and that believing, you will have life in his name."

MAY WE SUGGEST JOURNALING

As you read the Gospel of John we encourage you to journal during this time. To help you in this process here are three questions that can be answered once you read each passage through this Lenten season.

- What is said in this passage about Jesus?
- In this passage, how does Jesus bring life to me?
- What response do these verses require of me?
