Open House
August 31, 4:00-6:00 p.m.

Please stop by the cafeteria to “check things out” before school begins. The cafeteria will have several information tables that you will not want to miss. You will have an opportunity to:

- Put money in your lunch account.
- Purchase student planners for grades 1-3 (\$5.00); Students in grades 4-5 will use school iPads in lieu of planners.
- Learn about the PTO.

After visiting the cafeteria, you can:

- Find your classroom (maps are available in the cafeteria and the OP office located on the bottom floor near parent drop-off/pick-up).
- Put your school supplies in your classroom.

If you cannot attend the Open House, you may send money with your student on the first day of school to purchase lunch credits and planner (September 6).

**STUDENT DIRECTORY & REPORT CARD

Students may buy lunch or breakfast credits for extra items by check or by depositing funds in your student’s Food Service account. Students should be covered through the student's family medical coverage (including the cost of ambulance services). The district does carry public/general liability coverage for district premises and/or employee negligence.

FINANCIAL AID

There may be times when students will be asked to help defray costs for such things as field trips or booklets. If these expenses cause financial hardship, please notify Mr. Knorr, Principal. This information will be kept confidential and no child will be denied the opportunity to participate.
