STAFFING 500

Starting mid-February, the schedule will be open to staff Station 500. Deputy Chief Rudd will handle all scheduling. To start, the staffing will be open primarily for Monday-Friday daylight hours. If you are interested in being included in the emails regarding scheduling, please send an email expressing that interest to brudd@hempfieldtp.org. All requirements and information about staffing Station 500 can be found in the "Staffing Station 500 SOP 100.17" on the Township Website. If you have any questions please contact the Chief and/or the Deputy Chiefs.

Additionally, we are currently looking to expand our list of Engine 500, Vent 500 and Air 500 Drivers/Operators. Anyone interested in becoming a Driver/Operator with a valid Pennsylvania Driver's License and 18 years of age or older, contact our office to set up training and the necessary drive time (see below).

Air 500

An Active Firefighter-Exterior or Interior may transition to a Driver/Operator by completing the following:

- Emergency Vehicle Operators Course (EVOC) – certificate;
- 4-hour unit specific training; and
- 4-hour drive/operation overview time with approved driver/operator.

Vent 500

An Active Firefighter-Exterior or Interior may transition to a Driver/Operator by completing the following:

- Emergency Vehicle Operators Course (EVOC) – certificate;
- 4-hour unit specific training; and
- 4-hour drive/operation overview time with approved driver/operator.
