

## **A Note on Masks**

As of May 19<sup>th</sup>, Connecticut is not making mask wearing mandatory inside for those that are vaccinated. However, out of an abundance of caution and concern for the community's children who are not yet fully vaccinated or are too young to be vaccinated; we kindly ask you to wear a mask while visiting the library. Staff will continue to wear masks as well.

Please be assured that the Mark Twain Library staff will not ask to see your vaccination certification or monitor mask wearing. But, we are encouraging you to please wear your mask even if you are vaccinated. Non vaccinated individuals are required to wear their mask. We will also be glad to provide you with a mask if you forget yours.

Thank you for your consideration.
