Unitarian Universalist Congregation of Grand Traverse

Adult Religious Education

June 16 and June 23, 2019 @ 9:00 a.m.

On June 16th, Anthony J. Wilgus will conclude the 3 part series entitled, *Spiritual Exercises for the Unenlightened*.

While the first segment examined the spiritual traditions of ancestors and the second installment explored the substance of current religious and spiritual beliefs and practices, Part III will anticipate the future and some of the 'unfinished business' that humans may have as they approach the end of life. There is a Chinese saying that in one's youth, a person is a Taoist; in middle age, one becomes a Confucian; and at the end of life, people end up as Buddhists. The latter challenge will be the focus on this discussion.

On June 23rd, there will be an opportunity to discuss in an open forum the thoughts, reflections, wisdom, and insights garnered from the three presentations. Those attending Part III will be given a list of questions that will serve as prompts for the final discussion.

Hope to see you there!

Rev. Beth will be speaking at UUCGT on the following Sundays:

Reflection from Rev. Beth

There are a handful of pieces that I return to, again and again during stewardship campaigns and pledge drives, and on ordinary Wednesdays when asked “Why join this congregation?” the short answer is:

- We join a Unitarian Universalist congregation because what happens here matters.
- We join because it transforms us.
- We join because it gives us a venue to express our deepest hopes and dreams.
- We join because our families benefit from being part of a larger circle.
- We join because we know that we are stronger together.
- We join because we believe that the world needs our care and our work.

The longer answer was written by Rev. John Wolfe, minister emeritus of All Soul’s Unitarian Church in Tulsa, Oklahoma. What do you think?

There is only one reason for joining a UU Church. That is to support it. You want to support it because it stands against superstition and fear. Because it points to what’s noblest and best in human life. Because it is open to men and women of whatever race, creed, color, or national origin.

You want to support a UU Church because it has a free pulpit. Because you can hear ideas expressed there which would cost any other minister his or her job. You want to support it because it is a place where children can come without being saddled with guilt or terrified of some ‘celestial peeping Tom,’ where they can learn that religion is for joy, comfort, for gratitude and love.

You want to support it because it is a place where walls between people are torn down rather than built up. Because it is a place for the religious displaced persons of our time, the refugees from mixed marriages, the unwanted freethinkers and those who insist against orthodoxy that they must work out their own beliefs.

You want to support a Unitarian Universalist Church because it is more concerned with human beings than with dogmas. Because it searches for the holy, rather than dwells upon the depraved. Because it calls no one a sinner, yet knows how deep is the struggle and how great is the hunger for what is good.

You want to support a Unitarian Universalist Church because it can laugh...because it insults neither your intelligence nor your conscience, and because it calls you to worship what is truly worthy of your sacrifice...

In the next month, I invite you to give some thought to what you might tell someone about why being part of a Unitarian Universalist Congregation is a good fit for you. We’ll talk later in June.

In hope and faith,
Rev. Beth

Our New interim Minister

WELCOME

Reverend Dr. Catherine Harrington

The UUCGT Board of Trustees is pleased and excited to announce that **Rev. Dr. Catherine Harrington**

as our Interim Minister for the next two years
starting August 2019

Rev. Cathy, a second career UU Minister, has served in ministry for over fifteen years with four congregations. After serving for two years as an intern in Austin, Texas, she was a Settled Minister in Ludington, MI for eight years, followed by a four year Developmental Ministry in Chattanooga, Tennessee and, most recently, one year completing a Developmental Ministry in Gainesville, Florida.

Serving as a Developmental Minister is very similar to an Interim Minister, although usually longer than two years. The UU Congregation in Gainesville, successfully called a Settled Minister this spring, assisted by Rev. Cathy's guidance.

Rev. Cathy has a rich and varied background starting as a hairdresser, opening a bakery/café in Seward, Alaska, then feeling a call to Ministry and getting her Masters of Divinity degree at Starr King University, a UU seminary, in 2004. She also holds a Doctorate of Ministry degree from Meadville Lombard, earned in 2012. While a Minister, she has served as a victim liaison for the Department of Defense and as a police Chaplain. She is also a member of the "Faithful Fools" and we will let her tell us all about that.

Rev. Cathy is married, has two grown sons and two grandchildren. She and her husband have a home in Ludington, but she plans to get an apartment in Traverse City for the next two years. Rev. Cathy is excited to be coming to walk beside us on our journey to get a Settled Minister over the next two years and is also happy to be back in Michigan, living nearer her husband, after five years "down South".

Let's wish Reverend Cathy a warm UUCGT welcome!

Our New Religious Education Teacher

Betsy Hammerberg

New Religious Education Director

We are pleased to announce that

Betsy Hammerberg

has been hired as our Religious Education Director!

This will be a part time position, coordinating the activities of our teaching staff and taking the lead in curriculum selection.

Betsy attended the UUCGT from the ages of 6-17 and recently began attending again, after a long hiatus, during which she studied elementary education and taught Pre-K through 3rd grade in Thailand, Syria, Vietnam, and Austria.

She and her husband Kris moved back to Traverse City last year with their two boys, Elliot (2.5 years old) and Oliver (10 months old), to be closer to family.

Betsy says, "The religious education I received through the UUCGT was fundamental to the development of who I am, and continue to strive to be, today. I look forward to supporting the next generation of UU's as they develop their senses of compassion, acceptance, inclusion, peace, curiosity, and respect for all."

We welcome Betsy and her family to our UUCGT family!

Social Justice

All people deserve to be treated with respect and dignity.

Discrimination against any one person is discrimination against us all. The indiscriminate use of power to hurt another using violence is against our UU principles and against our human sense of righteousness. An extreme example of this abuse of power is the violence propagated against women because of sex, color, religion, or nationality.

The Violence Against Women Act was first enacted in 1994 and addressed domestic violence, sexual assault, dating violence, and stalking. This Act is supposed to be reenacted every few years and was due to be reissued last year, 2018. However, Congress has not yet voted to reenact it.

Copy into web browser: <https://www.thepetitionsite.com/takeaction/674/435/739/>

Violence against women and girls is so high that 84% suffer such abuse in their lifetime. Sexual abuse and even murder is very high and there is not an adequate federal response to help investigate and stop this uncalled for violence.

Copy: <https://act.credoaction.com/sign/not-invisible-act>

Not voting on and passing the Equality Act in our National Congress is another example of discrimination. This Act would extend the rights and privileges that most of us enjoy to our LGBTQ friends and neighbors. Respect and dignity extends to all people.

If you were comfortable taking actions to help, thanks!

Religious Education

The Our Whole Lives (OWL) Program

Our Whole Lives (OWL) is a comprehensive, lifespan sexuality education curricula used by UU congregations as well as other congregational and secular groups.

In mid-April, with financial support from the staffing committee, I had the honor of attending a 7-12th grade-focused OWL training with other educators in Kalamazoo, MI. THANK YOU, UUCGT!

The dialogue and learning experiences were meaningful, fun, and compassionate. Together we explored many relevant topics including:

- Adolescent development
- Effective group facilitation techniques
- How to be more understanding and welcoming of transgender people
- Gender and sexual orientation terminology
- The circles of sexuality
- Issues around consent

Having taught the Michigan Model reproductive health curriculum in an 8th grade health class in 2018, my students' feedback was that the curriculum was outdated, needed more gender and identity inclusion, and was overall fear-based and negative.

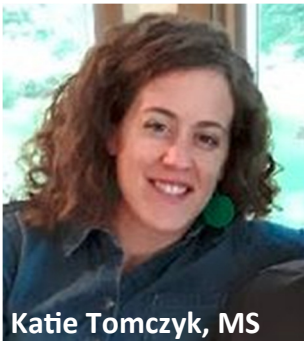

After this training weekend, I can assure you that OWL offers a different approach. I walked away from the training weekend feeling equipped, inspired and hopeful.

"Honest, accurate information about sexuality changes lives. It dismantles stereotypes and assumptions, builds self-acceptance and self-esteem, fosters healthy relationships, improves decision making, and has the potential to save lives." <https://www.uua.org/re/owl>

The Religious Education Committee has received quite a lot of feedback from parents in our community that they would like an OWL program to run this fall.

We are excited to be making plans to get students registered for this program, both from our congregation and the community, which I believe will be of great benefit to the entire Grand Traverse Region.

I'd be happy to engage with you about questions you may have or experiences you'd like to share regarding this program. Please see below for my contact information. I look forward to talking to you!

Katie Tomczyk, MS

Katie's Master's degree is in Curriculum and Instruction with endorsements in PE/Health Education and Special Education.

Katie has experience in teaching a wide range of health topics including self-care and reproductive health.

Please contact Katie with any questions you may have.

UUCGT Board Report

The UUCGT Board of Trustees met on Tuesday, May 21. Following are key items from the meeting:

Heard a report from Jerry Schatz and Barb Conley who will attend the UUA General Assembly in Spokane as UUCGT Delegates. The Board gave them our blessing to vote their conscience on legislation and the slate of officers for the UUA.

Reviewed planning for the June 2 Annual Meeting. Everything seems to be coming together for the meeting.

Noted that the Board had approved the 2019-2020 Budget for approval of the Congregation at the June 2 Annual Meeting. This was done in a closed session on Monday, May 6.

Also noted that the Board had approved the contract and compensation for our Interim Minister, Rev. Dr. Catherine Harrington via e-mail on Wednesday, May 15.

Approved that \$1,000 of Rev. Beth Marshall's salary be designated as housing allowance. This is not additional compensation. Minister's have a right to request that a portion of their salary be designated as housing allowance for tax purposes.

Approved \$5,775 as our pledge to the UUA for 2019-2020 dues. This is the amount in the 2019-2020 budget for UUA dues.

Approved a policy regarding entry to the building for individual members of the SokukoJi Meditation group to use the meditation room during office hours on Monday through Thursday.

We plan to share highlights from our monthly Board meetings throughout the year. You can also find the minutes of Board meetings on our website. Board meetings are open meetings and you are welcome to attend. Our next meeting is scheduled for Tuesday, June 18 at 6:00 pm in the Sanctuary. This meeting will be the traditional meeting involving members from both the outgoing and incoming Boards.
