  - Social distancing recommended for those not fully vaccinated
- Outdoor
  - No capacity limit
  - Masking recommended for those not fully vaccinated?
- Attendance/sign-in log
- Applies to
  - Board and Committee Meetings
  - Small group gatherings
  - Wed night supper
  - VE practice
  - Building rentals
  - Outdoor RE
- **At this time does not apply to:**
  - **Sunday Services and associated VE, Child Care, Hospitality, or Indoor RE**

**UUCGT Attendance Log for Small Gatherings June 1-July 1, 2021**

At this time UUCGT policy allows limited gatherings of vaccinated and non-vaccinated individuals. Attendees verify that they:

- Have not had a positive COVID-19 test in the past 10 days
- Do not have any of these potential COVID-19 symptoms:
  - Cough, new shortness of breath or difficulty breathing, loss of taste or smell, fever, chills/rigors, fatigue, muscle aches, sore throat, nausea, vomiting, diarrhea, congestion/runny nose.

Please note:

- Maximum indoor capacity 25, no limit on outdoor capacity
- Masking required indoors for those not fully vaccinated
  - Fully vaccinated is defined as at least two weeks since the final scheduled dose of a COVID-19 vaccine. Phone number is required for contact tracing if an exposure should occur.
- If an attendee develops symptoms that are suspected of being COVID, or if they test positive for COVID within 14 days of this gathering, they should call the UUCGT office at 947-3117 to report the possible exposure.
