# A Reflection from Rev. Cathy

It's been three months since I began serving UUCGT as your Interim Minister, and I thought I'd give you an update on our progress.

The interim process is divided into five areas of focus:

1. **Heritage**: reviewing how the congregation has been shaped and formed
2. **Leadership**: reviewing membership needs and its ways of organizing and developing new leaders
3. **Mission**: defining and redefining sense of purpose and direction
4. **Connections**: discovering all relationships a faith community builds outside of itself
5. **Future**: developing congregational and pastoral profiles

All five of these Focus Points ultimately help answer these essential questions: "Who are we?", "Who are our neighbors?" and "What does our Unitarian Universalist faith call us to do?"

The first three months of my time here has been devoted to the first and second areas of focus - getting to know you, learning all I can about UUCGT's history and building a trusting relationship with you. If you haven't met with me and would like to, let's schedule a time to talk! Here are some of the things that would be helpful for me to know.

- What are three things that the congregation does particularly well?
- What are three things that the congregation could improve upon (challenges/growing edges)?
- What was a time in your life in this congregation that was meaningful to you?
- What was a time that was challenging for you?
- What do you hope the legacy of this congregation will be fifty years from now?

In January, I will turn my focus to reviewing the congregational covenant and mission statement. I am looking for leaders who would like to work with me to introduce Small Group Ministry and a new UU orientation program called Starting Points that consists of four sessions:

- Session One: Your Journey - Sharing Our Stories and Spiritual Roadmaps
- Session Two: The Unitarian Universalist Journey & The Journey of our Church
- Session Three: Our Journey Together -The Three Paths of Unitarian Universalism, Part 1
- Session Four: The Three Paths of Unitarian Universalism, Part 2 & Finding Your Journey Group

Scott Taylor, the author of the Starting Point curriculum describes it this way:

**The "UU path" is central to Starting Point. Inspired by the classic UU slogan, "deeds not creeds," we present Unitarian Universalism as a particular way of journeying through the world rather than a set of beliefs to which one assents.**

**Today, people are not so much looking for an organization to join as they are searching for companions to walk with. Their question is not so much "Do these people think and believe like I do?" but "Will this place provide me with tools and partners for my journey?"**

If you are interested in taking a leadership role that will nourish and deepen your own faith journey, consider joining me in this endeavor. **Email me ASAP at [revharrington@mac.com](mailto:revharrington@mac.com).**

In these three short months, I've learned a great deal about your history with all its triumphs and challenges and have been deeply moved by your love for this congregation and our Unitarian Universalist faith. We have lots of work to do together in the coming months, and I am looking forward to learning from you and with you as we walk this exciting interim journey together.

In faith,  
Cathy

### Recycling Facility Tour

We had eleven people on our second tour of the recycling facility. First one was in the spring. The presentation has been updated and enhanced, even since the spring. There was new stuff to be learned. It is well worth taking a tour to be updated on what they can do nowadays. This place is phenomenal!!

Just a couple of bits: Flatten the cardboard, even the TP and paper towel rolls so they get identified as paper, cardboard. Don't flatten the plastic containers so they get recognized as plastic. Put the metal can lids back into the container and bend in the top a bit to hold the lids inside the can so they don't cut people on the sorting line or cut belts.

### Benzie UU November Schedule

We meet the 1st and 3rd Wednesday evening of each month

Grow Benzie Building  
5885 Frankfort Hwy.  
Benzonia - Benzie County

We share a potluck at 6:30pm, and begin our service at 7:30pm. For more information, email Catherine Green, [seecgreen@gmail.com](mailto:seecgreen@gmail.com), or call or text 231-499-7276.

#### November 6

Marcelo Betti, immigration and family attorney, with Justice for our Neighbors will help us understand what is happening at the border, and with detention centers, and how we might help.

#### November 20

Kathy Ross, a student of Thich Nhat Hanh, will discuss Engaged Buddhism. This is a special opportunity and we welcome our UUCGT brothers and sisters, as well as all respectful community members.

## Impeachment November 2019

*The President, Vice President and all Civil Officers of the United States, shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors.”*  
— U.S. Constitution, Article II, section 4

**“Impeachment is the process by which a legislative body levels charges against a government official. Impeachment does not in itself remove the official definitively from office; it is similar to an indictment in criminal law, and thus it is essentially the statement of charges against the official. The Constitution gives the House of Representatives the sole power to impeach an official, and it makes the Senate the sole court for impeachment trials.”**

Impeachment comes from British constitutional history. The process evolved from the 14th century as a way for parliament to hold the king’s ministers accountable for their public actions. Impeachment, as [Alexander Hamilton](#) of New York explained in Federalist 65, varies from civil or criminal courts in that it strictly involves the “misconduct of public men, or in other words from the abuse or violation of some public trust.”

The arguments are familiar today. Bribery and Treason were easily identified as reasons for Impeachment during the Constitutional conventions. But more issues were determined impeachable offenses so High Crimes and Misdemeanors were added. It was also discussed that the president appoints certain officials and therefore how would that affect impeachment proceedings?

Impeachment has been used more than 60 times, but less than a third of these went to full impeachment. Eight Federal Judges have been impeached, convicted and removed from office. Two presidents have been impeached but not removed: Andrew Jackson and William Clinton. A cabinet secretary (1876) and a US Senator (1797) have been impeached. Richard Nixon was impeached but resigned before a formal vote to remove him. George W. Bush had the beginnings of impeachment referred to a committee, and it stopped there. Three other presidents were referred for impeachment, but impeachment was not passed by Congress: James Buchanan, John Tyler, Warren Hastings. Who becomes president if the president is impeached and removed from office? First in line is the Vice-President Mike Pence. After him, it would be the Speaker of the House of Representatives, Nancy Pelosi. After her, it would be the President Pro Tempore of the Senate, Chuck Grassley; and then, Secretary of State, Mike Pompeo. If Trump were to be impeached and Pence made president, Speaker of the House, Nancy Pelosi, would become Vice President.

The process of impeachment is detailed. The Speaker of the House directs the Judiciary Committee or a special committee to hold hearings. A majority of the committee must agree to impeach. If they do, then it goes to the full House for a vote to impeach. Then it moves to the Senate for a “trial.” The Senate leadership sets how the trial is to proceed.

Members of the House present the arguments for impeachment. The president is represented by counsel. The Chief Justice of the Supreme Court presides over the trial. The Senators vote on whether to impeach. It takes 2/3 of the Senate to convict. The offense is then answered by removal from office. This is not a legal indictment that would mandate jail or other repercussions. He is simply removed from office.

Sources are from references found on line and are too numerous to list here. Hope you learned something. I did. Thanks!

# Religious Education (RE) Program

## OUR RE PROGRAM

### Our Whole Lives (OWL) Program has Launched!

After months of planning and preparation, we launched Our Whole Lives on October 12.

We have 15 students enrolled, comprised of youth from the UUCGT and from the wider Traverse City community, and the course is off to a great start. We are very grateful to everyone in the congregation who provided their support and encouragement as we re-introduced this important program to the UUCGT.

Our Whole Lives is based on the premise that "Honest, accurate information about sexuality changes lives. It dismantles stereotypes and assumptions, builds self-acceptance and self-esteem, fosters healthy relationships, improves decision making, and has the potential to save lives." We should all be proud to be part of providing this service to our youth.

Weekly Religious Education classes are going well. We have joyfully welcomed some new families and are always happy to see new faces (as well as returning ones, of course!). We began learning about Judaism and celebrated Halloween by exploring the traditions of Samhain and Dia de los Muertos.

In November, we will continue to learn about Judaism and then move on to Earth-centered religions. We are looking for a new RE teacher! The job description is posted on the UUCGT website.

I wish you all a wonderful November,  
Betsy Hammerberg (she/her)  
Director of Religious Education

# Board Report

## UU Board Meeting Summary for October

The UUCGT Board of Trustees met on Wednesday, October 16. Following are key items from the meeting:

- The Board approved the Sunday Services Committee recommendation that we will not have a Christmas Eve Service at the State Theatre this year. Our efforts will be focused on a Christmas Eve candlelight service at UUCGT.
- The Board approved a recommendation from the Facilities Committee to install a security system that will include “panic” buttons in the pulpit and in the office along with four security cameras which will be viewable on a console in the office.

- The Board approved Tom Darnton, Susan Lio and Kat Norman as members of the Transition Team. The Transition Team is similar to a Committee on Ministry but serves for an Interim Minister.
- We finalized plans for a combined planning retreat with the Board and the Transition Team on November 1 and 2. The retreat will be facilitated by Rev. Cheri Cody.
- The Board approved up to five additional hours per week for our new Music Director, Renee Russell at Rev. Cathy’s request. This will give Renee up to 15 hours per week total.
- The Board approved Jolynn Paige as acting chair of the Lifespan Experience Committee until Policies and Procedures can be updated to allow non-members to chair committees.
- Our Director of Religious Education is planning to hire a teacher to fill the open position from Logan Chamberlain’s departure. The Board gave the go ahead to do so.
- The Board appointed Judy Myers and Pat Light to fill openings on the Safe Congregation Committee.
- We heard a report from Barb Termaat on the progress of the Healthy Congregations task force which includes Susan Lio, Jim Linsell, Barb Gibson, Mary Anne Rivers and Rev. Cathy Harrington in addition to Barb Termaat.
- We heard an update on the Benzie Congregation from Judy Myers.
- We decided to participate in the UUA Mid America Region history project. Mike McDonald will be looking for someone to put together a brief congregational history for UUCGT.

We plan to share highlights from our monthly Board meetings throughout the year. You can also find the minutes of Board meetings on our website. Our Board meetings are open meetings and you are welcome to attend. Our next meeting is Wednesday, November 20 at 7:00 pm in the sanctuary.
