Lyrics to Songs...

STJ #1027 *Quando el Pobre*

(English translation by Rev. Martin A. Seltz, ELCA)

When the poor ones, who have nothing, still are giving;
when the thirsty pass the cup, water to share;
when the wounded offer others strength and healing:
we see God, here by our side, walking our way;
we see God, here by our side, walking our way.

When compassion gives the suffering consolation,
when expecting brings to birth hope that was lost;
when we choose love, not the hatred all around us;
we see God, here by our side, walking our way,
we see God, here by our side, walking our way.

When our spirits, like a chalice, brim with gladness,
when our voices, full and clear, sing out the truth,
when our longings, free from envy, seek the humble,
we see God, here by our side, walking our way,
we see God, here by our side, walking our way.

When the goodness poured from heaven fills our dwellings,
when the nations work to change war into peace,
when the stranger is accepted as our neighbor,
we see God, here by our side, walking our way,
we see God, here by our side, walking our way.

#146 Soon the Day Will Arrive

Soon the day will arrive when we will be together
And no longer will we live in fear.
And the children will smile without wondering
Whether on that day thunderclouds will appear.

Wait and see, wait and see what a world there can be
If we share, if we care, you and me.
Wait and see, wait and see what world there can be
If we share, if we care, you and me

Some have dreamed, some have died to make a bright tomorrow,
And our vision remains in our hearts.
Now the torch must be passed with new hope,
Not in sorrow, and a promise to make a new start.

Wait and see, wait and see what a world there can be
If we share, if we care, you and me.
Wait and see, wait and see what world there can be
If we share, if we care, you and me

Remember Me from “Coco”

Written by Kristen Anderson-Lopez and Robert Lopez

Remember me
Though I have to say goodbye
Remember me
Don't let it make you cry
For ever if I'm far away
I hold you in my heart
I sing a secret song to you
Each night we are apart

Remember me
Though I have to travel far
Remember me
Each time you hear a sad guitar
Know that I'm with you
The only way that I can be
Until you're in my arms again
Remember me
