Dear Ventura County Farming Community,

4-H needs your help! The Ventura County Farm Bureau Foundation for Agriculture is collecting funds to contribute to the "Forever 4-H Ventura County Endowment," which supports the UC Ventura County 4-H Youth Development Program.

For over 100 years, our local 4-H program has been empowering youth with the skills and knowledge they need to become engaged and productive citizens. From learning about agriculture and animal husbandry to leadership development and community service, 4-H provides opportunities that are truly life-changing. And now, with your help, we can ensure that this incredible program remains strong and vibrant for generations to come.

By contributing to the Forever 4-H Ventura County Endowment, you are investing in the future of our community. The fund will be managed by The Office of the Chief Investment Officer of the Regents of California, which provides expert oversight to ensure that your investment generates sustainable returns. To establish this account, University of California Cooperative Extension of Ventura County has received a donation from the Ventura County 4-H Council in the amount of \$10,000. The payouts generated from the endowment will provide financial resources to support the UC 4-H Program in Ventura County, which serves children from all backgrounds, abilities, and walks of life.

To contribute to the endowment, please address a check to our 501 (c)(3), Ventura County Farm Bureau Foundation for Agriculture, which will allow your contribution to be tax deductible. You can mail your check to the address below. Please include "4H" in the memo line.

Ventura County Farm Bureau Foundation for Agriculture
P.O. Box 3160
Ventura, CA 93006.

Thank you for considering this opportunity to support the Forever 4-H Ventura County Endowment. Your investment in the future of our community is greatly appreciated. If you have any questions or would like more details about the fund, do not hesitate to contact me.

Sincerely,

Maureen McGuire
