Questions to Consider

1. These passages from Matthew contain several healing miracles. Which of these miracle speaks to you? Have you ever witnessed a healing miracle—in your life or another's? Is Jesus working miracles right now?
2. In Chapter 9:9-13 Jesus calls the notorious sinner Matthew to be a disciple. Why would Jesus call such a person? Tell us about selecting (or being) a person of bad reputation and how it worked out. Do you judge people without knowing them? If so, why?
3. Let us interpret Matthew 11:11-15.
4. Explain what Matthew 12:22-32 tells us.
5. We have often heard, read and discussed the Parable of the Scattering of Seed in Matthew 13:1-13. How do we understand it today in terms of our mission as the church?
