Give Something Back would like to recognize our current customers for making 2016 a profitable year to give back to local communities. An even bigger thank you to those who voiced their vote to let us know which non-profits mean the most to them. Without you, your vote, and your support, these donations would have not been possible!

We are happy to announce over 100 non-profits received heartfelt donations this year: Sacramento, Oakland, San Francisco, Silicon Valley, San Diego, and Phoenix. Stay tuned throughout the month of July as we add even more non-profits to this list...
