PRESIDENTS SOCIETY DINNER

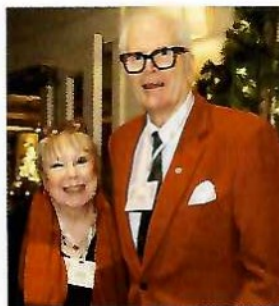

WE HELD our annual Presidents' Society Dinner on December 3, 2025, at Biltmore Country Club.

We had a beautiful event in recognition of our very generous donors who are members of our various societies. Board President Skip Gianopulos welcomed guests and gave our wonderful blessing. The Barrington High School Premium Blend performed beautiful Christmas songs for us before dinner. Our Grant speaker, Dr. Lori Walsh, gave an update on Smart Farm. Our featured guest speaker, Beth Gallagher, Principal/Founder of Emergent Philanthropy, gave an update on giving trends. Our evening wrapped up with Skip once again thanking all our attendees. A wonderful and memorable evening of gratitude indeed! 🙏
