

# **ITHACA #123 SUPPORTING FIRE PREVENTION PROGRAM**

Worshipful Master Bill Syckle presented a check on behalf of Ithaca Lodge #123 Free & Accepted Masons to Ithaca Fire Chief David Nelson. The funds provided will sponsor over 50 local children for the department's Fire Safety & Prevention Education Program. The children will be given a tour of the trucks, get to meet some of the fire crew for a Q&A and also receive some relevant gifts. They will also be taught fire prevention and how to respond to an emergency along with having a written plan for their households in case of a fire.
