The Jackson Holiday Parade will be taking place in downtown Jackson on Friday Nov. 20. Arrival before they close downtown is between 5 and 5:30pm. We meet in the parking lot on the SE at the intersection of First St. & Michigan Ave. Parking can be found in downtown lots, and on Courtland Street. The Parade kicks off at 6:00pm. It is not that long of a route, maybe 4-5 blocks. We have some limited space on a couple of church pews we put on the float for our Masons & Senior Masons who may have e mobility difficulties, but most of us DO walk the Parade.

We Participate in this Parade as Jackson Lodge 17 & St. Nicholas Lodge 12 PHA. It is our major joint event of the year.

We DO have a dress code for the event as set by protocol and the WM's of the Lodges. Black Suit with Black tie or black tux with black dress coat or black peacoat. We are fiercely unapologetic regarding the dress code. It is understood at some events the attitude is "just show up, that's what's really important"; but with all respect to any and all Brothers, this is NOT one of those events. This is by far the largest pubic display of Freemasonry in Jackson for the year and to honor both GLM & PHA jurisdictions, we present ourselves at our very best and largely unified in appearance for the Craft as a whole.

We will be doing what we did last year and are all going to the Luna Lux Lounge on Michigan Avenue after the parade.

Warm Regards,
Jon Ferguson, WM, PM, BGP 33
