Include your name in the file name of the photo (you don't need to put it on the image itself.) For example the winning artists below might have put a file name of: Joyce Payment, Majestic Mosaic, or Thom Atkins, Water is Life So Why Are We Doing This or Randa Mulford, Samba Selfie.

**NCQC** Teacher and Board Member, **April Sproule** offers ncqc members access to a video clip regarding the process of readying a photo for any contest. She gives you simple lighting and editing tips and her workflow checklist: straighten, crop, adjust color, resize and save. Then she shows you how to load photos into an application, including a bit about resizing the file if that is needed.

Also many thanks to **NCQC** Guild member, from **Redwood Empire Quilters**, **Maggie Stimson** for her work with April on this, and to both April Sproule and Maggie Stimson for their leadership in textile arts.
