

## **WELCOME MESSAGE FROM THE PRINCIPAL**

Dear Cathedral families and friends,

Romans 15:13 says "May the God of hope fill you with all joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit."

Welcome back to a new school year! We are truly blessed and excited to have our students return in person. We are looking forward to the arrival of all students to fill our halls to capacity and be together as one community.

This summer we have been planning, plotting, and preparing for a stronger academic year for all. We are implementing new systems to increase rigor and improve our instructional practices. Our academic goals for this year include: continuing our culture of achievement; students learning at and above grade level; supporting all learners; creating stronger relationships with students; and increasing participation in our extracurricular activities.

We welcome new staff members in all content areas and look forward to introducing you to our dedicated faculty and staff. Most notably we have added to our Guidance Department with the addition of an Academic Advisor and Guidance Counselor. Our Student Support team will continue to provide social-emotional support to all students.

Expect to receive weekly updates regarding school news, academics, and COVID. What's next? You will receive forms to fill out prior to returning to school. If you need to update your email address, please contact Ms. Clegg, Office Manager at [sclegg@chs.boston.net](mailto:sclegg@chs.boston.net).

Sincerely,

A handwritten signature in black ink that reads "Nampeera Lugira".

Ms. Nampeera Lugira
