

## **PARTICIPATION WAIVER**

I give my son / daughter permission to participate in IHSA sport specific contact days at Boylan Catholic High School. Boylan will follow the guidelines that have been determined by the Illinois Department of Public Health, WCHD and the CDC.

Higher risk sports (competitive cheer, dance, football and wrestling) are limited to no-contact practices and training only.

Medium risk sports (basketball, 7v7 football, soccer and volleyball) and lower risk sports (baseball, sideline spirit and softball) are limited to intra-team scrimmages.
