

Lego Construction Zone

Friday, June 2@3:30pm

Stanwood Library

Use your imagination to build planes, cars, buildings or whatever you fancy.

Supported by the Stanwood Friends of the Library.

Entry to Apprenticeship

Monday, June 5@6pm

Stanwood Library

Are you interested in a career and not just a job? The Entry to Apprenticeship Workshop is a good place to begin for information about a good-paying career in numerous apprentice able occupations. Earn while you learn! This workshop will introduce you to numerous trades that offer apprenticeship programs to train future skilled workers. Information provided includes: defining what apprenticeship programs are; benefits of an apprenticeship, minimum requirements; required documents; application process; selection process and timeline. Find out if apprenticeship is for you.

Hands on with Hypertufa

Saturday, June 10@10am

Stanwood Library

Hypertufa is a cement-based mixture that looks like stone when dry. Come join us and we'll use this versatile and lightweight material to create personalized planting pots. We recommend that you bring a pair of gloves and some items to decorate your hypertufa such as, bubble wrap, old tiles, cracked pottery pieces, broken china, old metal buttons, even old costume jewelry pieces. You'll be taking your finished hypertufa creation home to cure, so we also suggest bringing some plastic to lay inside your vehicle. We will provide the hypertufa, forms and a limited amount of decoration items. Supplies and space are limited, so please register at http://host5.evanced.info/sno_isle/evanced/eventsignup.asp?ID=88947&rts=&disptype=&ret=eventcalendar.asp&pointer=&returnToSearch=&num=0&ad=&dt=mo&mo=6/1/2017&df=calendar&EventType=ALL&Lib=19&AgeGroup=ALL&LangType=0&Win dowMode=&noheader=&lad=&pub=1&nopub=&page=&pgdisp= or call 360-629-3132.
