Creating opportunities for people to live, work, and thrive on the Lower Cape

WHY SUPPORT 'A SUMMER EVENING ON THE FARM'?

"It's a great opportunity to connect with friends, spend time with people who care about the CDP's mission, and hear how their work helps our community."

- Barbara Wood, CDP Supporter

The CDP's **A Summer Evening on the Farm** – the organization's largest community-uniting, generosity-raising event – is a time for celebration, joy, and giving. Each August, year-round and part-time residents and friends throughout the Lower and Outer Cape prioritize supporting the transformative work of the CDP. On August 24th, from 5:00 to 7:00 p.m., we will celebrate the 9th year of this casual, fun event and seek to raise awareness and support the CDP's work. This year's goal is to raise \$300,000 at the event, with every dollar raised going directly to increase access to affordable housing and provide small business training and assistance to impact year-round residents' lives.

Barbara Wood, a donor of the CDP since 2013, says attending **A Summer Evening on the Farm** stands out. "It's a great opportunity to connect with friends, spend time with people who care about the CDP's mission, and hear how their work helps our community." Barbara, a former CDP Board Member and now an Advisory Council member, says she chooses to support the CDP "because it creates opportunities." "Improving conditions for those in need while building community and supporting our local businesses—that is it for me in a nutshell."

Seamen's Bank, an independent, locally managed community bank serving businesses and residents from Provincetown through Brewster, has also been a loyal supporter of the CDP since 2013. They are a longtime **Summer Evening on the Farm** sponsor and supporter of the CDP's Business and Credit Programs. Lori Meads, President & CEO, has experienced the work of the CDP up close as a Past President and former Board Member and now as a member of the Advisory Council. According to Lori, the affordable housing situation and the Cape's unique economic development needs require ongoing efforts and support from every sector. Lori shared that Seamen's Bank takes pride in its relationship-based business model focused on building long-term customer trust. "Supporting the CDP is in direct alignment with our mission," said Lori. "Our team lives here. Our neighbors' success is our success too."

JOIN US!

Join your friends and neighbors for an inspiring evening. You'll learn and hear from year-round residents, business clients, and our team about how your generosity is making a lasting impact on the Cape we love.
