

ST. LOUIS MOSAIC PROJECT

STL101

Last Tuesday of the month | 6-8 PM

World Trade Center St. Louis

120 S. Central, Suite 1200, St. Louis, MO 63105

STL101 is a monthly program that brings together St. Louis newcomers, natives, and internationals for an evening of connecting, socializing, and learning.

Every last Tuesday of the month, **STL101** hosts speakers from a variety of local groups that are reinvigorating the region. Speakers from some of St. Louis' cultural, economic, and artistic innovation hubs are invited to share the programs and resources they offer.
