

VESTRY NOMINEES

Here is biographical information for the candidates for Vestry. Please vote for three.

HELENE AULT

Helene has been involved in church and education throughout her life. From a young age, she and her sister walked to church attending Sunday School. After completing a degree and teaching certification at UC Berkeley, Helene began teaching, first in an alternative high school for troubled near Los Angeles then a junior high east of the Bay Area. After moving to Virginia, Helene taught junior then senior high. Following moving to Cincinnati she taught high school for a total of 12 years of teaching.

In 1987 Helene took her young children to several churches in Clifton and chose Calvary. Shortly after she started attending Calvary, Helene began teaching Sunday School and has been involved in the church school program ever since. Between 2000-2003 Helene was on the staff of the Choir School which originated and was housed at Calvary serving the students of the old Clifton School. From 2002 to 2016, she directed the children's programs including Godly Play Sunday School, Family Fun Nights and Vacation Bible School.

Helene has served on Vestry twice, during the search processes for Calvary's last two rectors in 1990 and 1999-2000.

PAUL DAVIS

I have been a member of Calvary Church for the past ten years. During this time I have been a reader, an usher, and for the first five years my wife and I served as coordinators for Tender Mercies. I also participated in the St. Andrews partnership helping with the joint picnics. In many ways, being part of Calvary through participating in these activities sum up how I feel about the strengths of Calvary. I believe our parish is a very devout place with a multitude of ways to nourish spirituality, and through activities like Tender Mercies it has shown that it is committed to helping individuals that are less fortunate. If I am elected to the vestry, especially through this period of transition, it is my goal to help keep and even strengthen the things that make Calvary the special church we all love.

I believe that when I run for an office like vestry, and when I am asking for your vote there are some things you need to know about me. I want to serve on the vestry at Calvary. It is one of those moments in our history that the parishioners need to step up and keep the day to day activities of our Calvary at the highest quality. We owe it to our community, we owe it to Joanna, and we owe it to our future rector. I know I have the skills to reach these goals. I love doing committee work, and I love serving interests that are important to me. I have served on a number of committees and boards over my career, both here locally and nationally, and it is time to bring everything I have learned and serve Calvary Church. It is during these transitional periods that organizations, such as Calvary, can go down many paths. I want to help Calvary go down the road that makes us even better than we are today.

ROBERT SMITH

In the mid-80's, during a time of personal crisis I came to Calvary Church. Since then I have been nurtured and challenged by both the clergy and lay community. Thus far my spiritual journey has extended from Baptist Sunday School to Ignatian meditation.

During my years at Calvary I have been chair of the Outreach Committee, on the Finance Committee, Junior Warden, Senior Warden, High School Sunday School teacher, Thursday Morning Gospel meditator, and now I am Treasurer. I have supported Calvary with my time, treasure and whatever talent I can muster. Kate and I re-affirmed our marriage vows at Calvary and Jason blessed our son's marriage.

Currently I am a snowbird, spending the winters in Port St Lucie, FL. I participate in Calvary activities by email and Skype. In Florida I am also active at The Episcopal Church the Nativity.
