

Summer for Families at Calvary Church

This Sunday, the Family Service resumes in-person at 9:15 a.m.

Families, be prepared, as the service will be less “free-range” due to COVID. Plan for each person in your household to wear a mask. Households will be asked to sit at a table or a specific area together throughout the service, which will last approximately 40-45 minutes.

The liturgy includes:

- **Opening Acclamation** with sounding the gong, candle-lighting, and the Prayer of Light!
- **Music**
- **Summer Stories** (a special storybook related to the Lectionary reading for the day)
- **Prayers**
- **Eucharist** (bread only, brought to your seating area by the priest)
- Children will have special “dots” to sit on at an appropriate physical distance from the altar, but so they have the best view possible.
- **The Peace** with a special song that dismisses us to a special traffic-safe fellowship area in the parking lot.

Activity packets will be available for busy children!
