*All events will be held  
from 2:00 – 4:00 PM*

Explore areas of commonality through the lens of the major world religions and ways in which they all strive to make the world more peaceful and just with Jewish, Islamic, Catholic and Protestant leaders. Recognizing even people within a single religious tradition vary in belief, practices and traditions, the speakers will grapple with personal expressions of faith and how those are lived out as part of a community of believers.
