

8th Grade Night

The Spartans Marching Band 8th grade night is an event for incoming freshman to experience high school marching band first hand! This is a recommended event for all 8th grade band students, regardless of their current level of interest. Coming to 8th grade night does not mean they are required to be in high school band, this is just an opportunity to experience high school band! The 8th graders will have the chance to perform pregame with the Spartans Marching Band, as well as, perform stands tunes as we cheer on our Spartans Football team. The 8th graders will see The Spartans Marching Band in action as we perform our Halftime Show. 8th graders are free to leave after halftime, but are more than welcome to stay for the remainder of the game.
