SSCMS Orchestra Program.

You are cordially invited to become a member of the SSCMS Orchestra Program. We would like to have all students 6th and 7th Grade participating in our music program.

The Orchestra Offers: Violin Viola Cello Bass & Guitar Training.

We embark on a great musical adventure both Virtual and/or F2F with self-realization, concerts, events, trips, with many academic, social, and cultural opportunities to learn through music about the world and our place in It. We will learn of music with music making. Please fill the bottom of this page and return it to Mr. Peña (E-mail is fine).

Please, feel free to reach out and ask any questions you may have to:

pena@fultonschools.org

We thank you on behalf of our Orchestra Program as we know you have made a wonderful decision by joining a group like no other.
