

**The Carolina's Chapter of the American Backflow Prevention Association** has scheduled a Backflow Prevention Assembly Repair and Troubleshooting Workshop. This technical and extremely interesting presentation will be held at two locations around the Carolinas.

**Columbia, SC - Tuesday April 25, 2017**  
**Huntersville, NC Wednesday April 26, 2017**

The workshop will begin at 8:30 AM and will be completed by 4:30 PM. The cost of the seminar is **\$50.00 per person. Lunch and a backflow preventer parts manual will be included with the registration fee.**

**Your application and check must be mailed to the address listed on the registration page or for your convenience you may register and pay on-line at [www.carolinachapterabpa.org](http://www.carolinachapterabpa.org) before April 20, 2017.**

**Class size will be limited to (60) students.**

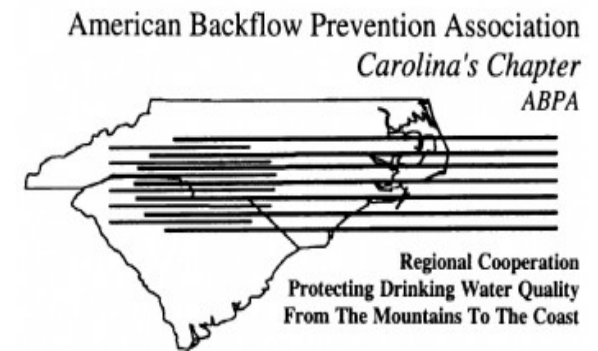

**Each attendee will receive backflow preventer parts manual.**

**Your application and check must be mailed to the address listed on the registration page or for your convenience you may register and pay on-line at [www.carolinachapterabpa.org](http://www.carolinachapterabpa.org) before April 20, 2017. Cost to attend this event is \$50.00 per person!**

**Also, on the registration form we will need your email and/or fax number.** We plan on sending the acceptance letter and/or an agenda via email or fax. Our goal is to save the Carolinas Chapter postage expense as well as saving the environment. Please fill out the registration completely.

You may contact Mr. John Watkins (SCDHEC 803-898-3567), Mrs. Kathy Riley (Charlotte Water 704-336-7084), or Mr. Brian Morrison (Fayetteville PWC 910-223-4704) with any questions.

This workshop is approved for 6 contact hours in South Carolina and for North Carolina Water Distribution / Backflow Certification.

## Carolina Chapter ABPA Backflow Prevention Repair & Troubleshooting Workshops

*Speaker*

**\$50.00 per person**

### Mark Inman Bio

Mark Inman is the General Manager of American Backflow Products Company, a national distributor of backflow assembly repair parts, testing equipment, and accessories. It is also an industry leader in backflow repair information and technical assistance. American Backflow Products is based out of Tallahassee, Florida.

Mark received his first testing certificate from the University of Florida TREEO Center in 1988 at the age of 18. He also received a certificate for Backflow Assembly Repair and Maintenance from the TREEO Center in 1990. In 2007 Mark received a certificate as an Advanced Backflow Assembly Tester from the University of Florida TREEO Center.

Mark is currently a co-author of the "Repair Guys" article found each month in Backflow Prevention and Plumbing Standards.

Mark is also a member of the ABPA, USC, PHCC, AWWA, and the American Fire Sprinkler Association.
