Boys JV Basketball

The Harding Boys Reserve basketball team finished the season with a 4-4 record. With the circumstances this year, the team was very fortunate to get 8 games in. The main goal of having a JV team is to keep kids involved in basketball and to get better everyday. Coach Price felt that every student/athlete improved drastically from the beginning to the season until the end. Every student/athlete's grades were also great during the season. Hopefully they all keep working on their skills and we see them playing for Big Red in the near future.
