FOREST HILLS STADIUM • JUNE 12, 2024 • 6PM

ABOUT US

Queens Community House (QCH) provides individuals and families with tools to enrich their lives and build healthy, inclusive communities.

Through a broad network of programs operating out of 40 sites, we offer Queens residents a much needed support system at every stage of life. The organization's strength is identifying emerging needs and challenges of the borough's diverse communities and translating those challenges into programs that engage, teach and help residents excel. Today, we provide services to more than 25,000 children, teens, adults and older adults at program sites throughout the borough. Each year we help thousands of Queens residents to thrive in school, make healthy life choices, succeed in educating themselves, stabilize their housing situation, and make the most of their senior years.

QCH staff are true advocates for the community and work tirelessly to meet residents' immediate and long-term needs.

ABOUT THE EVENT

The Celebrating Local Heroes event allows neighbors, business leaders and social influencers to meet for an engaging and fun evening on an iconic stage of Forest Hills Stadium. Steeped in history, this stage has hosted legendary icons such as Frank Sinatra, Barbra Streisand, The Rolling Stones, and Bob Dylan while honoring two of Queens' trailblazers.

There will be a cocktail reception, silent auction, and unique raffles. This is a chance to connect with other mission-driven stakeholders and experience the historic Forest Hills Stadium like never before.

COMMITMENT TO OUR SPONSORS

Queens Community House values our relationship with our philanthropic partners for their unwavering support. Your generous contributions enable us to continue our mission with dedication and purpose and we will make sure to serve as good stewards of your generous gift.
