ABOUT US

Queens Community House (QCH) provides individuals and families with the tools to enrich their lives and build healthy, inclusive communities. As we celebrate our **51st year in service**, we reflect on five decades of impact. **This year's celebration is especially meaningful as we gather in a space that reflects both our history and our future.**

Through a broad network of programs operating out of 40 sites, we offer Queens residents a much-needed support system at every stage of life. **Since our founding, QCH has evolved to meet the changing needs of our diverse communities, growing into one of the borough's most trusted resources.** Our strength lies in identifying emerging challenges and transforming them into programs that engage, educate, and empower residents to excel.

Today, we provide services to more than 30,000 children, teens, adults, and older adults at program sites throughout Queens. Each year, we help thousands of residents thrive in school, make healthy life choices, pursue education, stabilize their housing situations, and embrace the opportunities of their senior years.

ABOUT THE EVENT

Guests will enjoy a reception, tours of the Forest Hills Community Center, evening programming, and the opportunity to participate in unique raffles. Most importantly, it is a chance to come together with fellow supporters and local community members who are committed to strengthening neighborhoods and making a lasting difference. More than just a celebration, **this event is a vital opportunity to raise critical, unrestricted funds that enable Queens Community House (QCH) to respond swiftly to the evolving needs of families and individuals in the community.** These funds provide the flexibility needed to support our **wide-reaching programs**, ensuring that we can continue to offer essential services in **youth development, workforce readiness, senior support, housing assistance, and more.**

By attending and supporting the Celebrating Local Heroes, you are not only recognizing the achievements of our honorees—you are investing in the future of our community.
