Caroline County Department of Emergency Services (170) Emergency Management Division Chief: The

Department of Emergency Services is responsible for providing advanced Emergency Medical Services (EMS), emergency planning and coordination for County government, and emergency communications, including 911 dispatch, police communications for the Sheriff's Office and four town police departments, and fire and rescue communications for eight volunteer fire companies and the county EMS responders.

About the Position: This is administrative work at the managerial level. An employee in this class with guidance from the Director of Emergency Services, coordinates and manages the Emergency Management functions for All-Hazards approach as instructed by State and Federal Emergency Management. The employee also leads the county government safety program. The employee performs a variety of complex planning and administrative duties requiring comprehensive knowledge of departmental programs. The employee performs the duties of the governor appointed Local Emergency Manager in the absence of the Director. Required Knowledge and Skills:

Skilled in the operation of general information technology, including collaborative software suites like Microsoft Teams, and emergency management software such as Hurrevac. Ability to plan, administer, and coordinate programs involving many diverse, but interrelated activities; to make decisions under emergency conditions. Ability to communicate clearly and concisely in both written and oral form. Must be able to work independently and provide leadership in absence of Director of Emergency Services. With guidance from the Director of Emergency Services, activates and leads the Emergency Operations Center. Must be willing to respond to EOC or field incidents at any time. Must be able to lead public outreach efforts for the Department and coordinate with other Division Chiefs to evaluate and staff opportunities for public education and recruitment. Education and License/Training Requirements:

Graduation from a recognized university with a bachelor's degree in emergency management, public safety management, or public administration/policy and Four (4) years of experience in a combination of emergency management planning and coordination. ICS 100, 200, 700, 800 required. Valid Maryland Class C License meeting the County's requirements. Upon an employment offer, applicants must submit to a substance abuse test and complete criminal background check. EOE, **Annual Salary:** \$61,036- \$75,000 *Depending upon experience*, **Deadline to Apply: October 21, 2020** **How to Apply:** Submit completed applications to: Caroline County Office of Human Resources, 103 Gay St., Suite 1, Denton, Maryland 21629. Call 410.479.4105 to receive an application by fax or email. Applications can also be downloaded by

Caroline County Department of Health (136) 403 S. 7th Street, Denton, MD 21629. Main Purpose of Job:

An **Environmental Health Specialist Trainee** is the entry level of work at a local health department performing inspections and investigations to ensure compliance with environmental health laws and regulations. Protection of the public health is the main purpose of the Environmental Health Specialist position, protection more desirably obtained through voluntary compliance with the existing regulations or, when necessary, using compliance procedures established in regulation and law. This is an entry level position under close supervision from a higher-level Environmental Health Specialist. Education:

Determined by the Maryland Board of Environmental Health Specialists under the licensing requirements for Environmental Health Specialists. Experience: None. Licenses, Registrations and Certifications: 1. At the time of hire, candidates for positions in this classification must possess a certificate of eligibility to be licensed as an Environmental Health Specialist from the Maryland Board of Environmental Health Specialists. A copy of your certificate must be attached to the application. 2. Employees in this classification

may be assigned duties which require the operation of a motor vehicle. Employees assigned such duties will be required to possess a motor vehicle operator's license valid in the State of Maryland. Selection Process:

Applicants who meet the minimum qualifications will be evaluated. The evaluation may be a rating of your application based on your education, training and experience as they relate to the requirements of the position. Therefore, it is essential that you provide complete and accurate information on your application. Please report all related education, experience, dates and hours of work. For education obtained outside the U.S., a copy of the equivalent American education as determined by a foreign credential evaluation service must accompany the application. All information concerning your qualifications must be submitted by the closing date. We will not consider information submitted after this date. Benefits: Contractual

employees who work for an agency covered under the State Employee and Retiree Health and Welfare Benefits Program (the Program), have a current employment contract and work 30 or more hours a week (or on average 130 hours per month) may be eligible for subsidized health benefits coverage for themselves and their dependents. As a contractual employee, you will be responsible for paying 25% of the premiums for your medical and prescription coverage, including any eligible dependents you have enrolled. The State of Maryland will subsidize the remaining 75% of the cost for these benefits. You can also elect to enroll in dental coverage, accidental death and dismemberment insurance, and life insurance, but will be responsible to pay the full premium for these benefits. Further Instructions: Online application process is

STRONGLY preferred. If you are having difficulty with your user account or have general questions about the online application system, please contact the MD Department of Budget and Management, Recruitment and Examination Division at 410-767-4850 or Application.Help@maryland.gov. If online

process is not available, please send your paper application to: Maryland Department of Health, Recruitment and Selection Division, 201 W. Preston St., Room 114-B, Baltimore, MD 21201. The paper application must be received by 5 pm, close of business, on the closing date for the recruitment, no postmarks will be accepted. Incorrect application forms will not be accepted. If you need to submit additional information, the preferred method is to upload. If unable to upload, please fax requested information only to 410-333-5689. Appropriate accommodations for individuals with disabilities are available upon request by calling: (410) 767-1251 or MD TTY Relay Service 1-800-735-2258. We thank our Veterans for their service to our country and encourage them to apply. As an equal opportunity employer Maryland is committed to recruiting, retaining and promoting employees who are reflective of the State's diversity. Should additional information regarding this recruitment be required, please contact the Maryland Department of Health Recruitment and Selection Division at 410-767-1251 or via email at dhmh.jobs@maryland.gov. (Date listed:)

Choptank Transport (486) **Software Engineer** – Preston, MD (Full time & Internships) As a Software Engineer with Choptank, you will be on the front lines of building, developing, implementing, and maintaining custom-built applications. Join a growing company with a strong commitment to staying on the very cutting edge of technology - so much so that we've invested in our own team for it. (This position is

based out of our Preston, MD HQ or Baltimore, MD office). Competitive base salary, benefits + wellness package, paid training, and more. To apply visit <https://careers-choptanktransport.icims.com/jobs>. (Date listed: 11/18/19)

Choptank Transport (485) Inside Sales Representative – Preston, MD (Full time)

As an Inside Sales Representative with Choptank, you will be on the front lines of helping customers to move their valuable products from point A to point B. You'll be prospecting leads, cold-calling on prospective accounts via phone, building relationships with your customers, and managing their accounts. Your accounts won't be "one and done," but rather long term associations that make a big impact on your customers' bottom line. Are you a smart, competitive, business-minded professional who isn't afraid to start from scratch and build a book of business on your own? Competitive base salary + lucrative incentive, benefits + wellness package, paid training, and more. To apply visit <https://careers-choptanktransport.icims.com/jobs>. (Date listed: 11/18/19)

Choptank Transport (484) Specialty Services Carrier Sales Support Representative – Preston, MD (Full time). After attending Choptank's award-winning in-house (paid) training program, you will be warm calling potential carriers to negotiate pricing, while ensuring your carriers know they have your support for anything that might happen along the way. This is your time to let your critical thinking skills shine through. We're not a "one and done" environment, and you are on the front lines of building relationships with those carriers as well. You will also be working with our sales department as well as your logistics team, so an excellent work ethic and communication skills are key. Competitive base salary + lucrative incentive, benefits + wellness package, paid training, and more. To apply visit <https://careers-choptanktransport.icims.com/jobs>. (Date listed: 11/18/19)

Fastenal (284) Cambridge, MD. Sales Associate PT, Refer to MWE J.O. #1246365
Apply: <http://ipc.us/t/4CC591198F7C4C04> date listed 9/25/20

Fastenal (859) Management Trainee/Sales Associate (PT). Would you like to jump-start your career and learn what it takes to manage a business for an industry leader? The Fastenal Company would like to invite ambitious, hard-working individuals to apply for the position of Sales Associate. Applicants should be able to bring new ideas and improvements to business practices; work well independently and as part of a team; and demonstrate Fastenal's core values of Ambition, Innovation, Integrity and Teamwork. You can do this while working around your class schedule with flexible hours between 7am and 5pm, Monday through Friday. About Us: As a multibillion-dollar global enterprise specializing in industry-leading supply chain management solutions, Fastenal has grown steadily since its founding in 1967 as a small-town fastener shop. What's the secret to our success? Fastenal hires great people, supports them throughout their career, and encourages them to reach their full potential in pursuit of our common goal: Growth through Customer Service. As a growth company with a solid financial position, one that typically doubles in size every five years, Fastenal offers opportunities for our people, whether they're newly hired or seasoned veterans. If you have an entrepreneurial spirit and are looking to make your mark as part of an elite growth company, you won't find a better fit than Fastenal. Overview: You will have the opportunity to balance formal training with real-world experience managing a branch and working directly with customers. Through this opportunity you will expand your skills in Supply Chain Management, Asset Management, Distribution, Marketing, Merchandising, Procurement Systems, and Business-to-Business Sales. It's a great way to learn real-world skills in our fast-paced industry and potentially transition to a full-time position upon graduation, with ongoing opportunities for advancement. Responsibilities: The duties and responsibilities of this position include; though, are not limited to: •Developing and managing strategic customer partnerships. •Developing and executing focused marketing strategies. •Developing and overseeing strategic approaches to inventory management solutions. Required Position Qualifications: The following skills and qualifications are required for this position: •Strong computer skills and math aptitude. •Excellent written and oral communication skills. •Customer-service outlook. Apply Online: <https://careers.fastenal.com/>. The application is completed in two phases. Upon completing the online application you will receive directions to complete the telephone screening portion of the application. You as the applicant must call in to the company in order to complete your application and be considered for hire. Qualified candidates will be contacted for interviews thereafter. Martin's House & Barn (205) *Director of Programming for Homelessness and Housing Services*
Purpose Martin's House & Barn's Director of Programming for Homelessness and Housing Services serves as the senior level management person in charge of creating, implementing and managing all programming related to homelessness, housing services and the emergency family shelter. The Shelter, Martin's House, provides safe emergency housing for up to 12 families on a year-round basis and is staffed 24/7. The 10,000 square foot facility provides private bedrooms, shared cooking and living spaces and any needed articles of food, clothing and personal hygiene items. Our "Homelessness Prevention Services" focus on a "Housing First" approach to help community clients avoid eviction and shelter clients to quickly get into their own housing. Our individual case management helps clients determine obstacles, make a plan and navigate available sources. Programming's focus is primarily on addressing issues of homelessness and housing stability with attention to food insecurity and poverty in general. The Director of Programming is also expected to improve community awareness of Martin's House & Barn and support the positive service linking to external agencies through programming. The Director of Programming must be familiar with the internal policies and procedures of Martin's House & Barn programs as well as the various grant and funding agencies and to support staff in the fair, firm, consistent and compassionate provision of services.
Major Functions 1. Development and oversight of implementation of programming for Martin's House & Barn Homelessness and Housing Services (Emergency Shelter and Homelessness Solutions Program

Subsidies) as well as some community services program through the food pantry. 2. Work with Shelter Manager and Housing Support Specialist to develop both client and staff guidelines and policies as needed. 3. Plan, direct and ensure Martin's House & Barn program and case management including admission to the programs and concurrent review. Management of the exceptions, denial and appeal process, and coordination with finance for services managed, provide training to employees and education to the clients, and ensure this is performed in accordance with internal and external guidelines, regulations, policies, and procedures. 4. Ensure timely and effective needs assessment and client plans are complete, safe and appropriate. 5. Plan and ensure that utilization and programmatic activities receive necessary grant information while keeping the Executive Director informed on program progress. 6. Create an environment in which each employee can develop to his/her fullest capacity. 7. Promote and ensure ongoing management and leadership accountability for inter-functional teams to include responsibility for ensuring team's progress towards goals. 8. Oversee the planning, development and control (through reporting of budget variances) of the programming budget. 9. Ensure regular, complete and timely reporting of information regarding the functioning of Martin's House & Barn as required by various funding agencies.

Knowledge, Skills, and Abilities Demonstrated hands-on leadership and operational responsibility in a human services environment with 5+ years' experience of successful management experience and in-depth understanding of client services, case management, and experience in budgeting and strategic planning of goals and objective. **Knowledge:** • The Director of Programming requires knowledge and experience in the human services field, preferably with some background in social services, specifically, homelessness, addiction and trauma informed care. • Knowledge of key datapoints for reporting on outcomes to support grant and funding requests. • Experience managing a variety of human services models using an interdisciplinary team approach. • Knowledge of local resources to meet needs of client population especially in the areas of, homelessness, job insecurity, addiction, mental health, disability, food insecurity, education and general life skills. **Skills:** • This position requires case management experience. • The Director of Programming must be able to provide accurate reporting for grants and general overview of services. • Experience in grants, supervision, case management and operations • The DP must also have strong verbal and written communication skills. • The DP must be proficient in various computer programs such as Microsoft Office/Word/Power Point/Excel. **Abilities:** • The Director of Programming for Homelessness and Housing Services requires a bachelor's degree in Social Work or Human Services. Master's degree preferred. • The Director of Programming must demonstrate the ability to supervise and manage midlevel management staff in a positive and team building manner that yields consistent results and supports staff development opportunities. • This position requires critical and strategic thinking abilities and strong observational skills. Queen Anne's County (260) Centreville MD. Accountant III This position is responsible for the County's daily operations relating to payroll and disbursements, some grant reporting, audit and budget work papers, and assistance with other county departments and outside entities on behalf of the Finance Office. In addition to a high level of task-oriented skills, this position must also be able to conceptualize existing procedures; initiate changes to yield new procedures; manage others to implement such changes; and evaluate the results. Due to time constraints and the high level of expertise required by this work, this position must be able to make these changes without routine intervention from superiors. Instead, this position serves as a resource for his/her superiors in all matters involving operations. Queen Anne's County (772) Deputy Sheriff Cadet. The Queen Anne's County Office of the Sheriff Cadet Program is a law enforcement apprenticeship program that offers training and varied work assignments to persons between the ages of 18 and 20 ½. The Cadet Program provides qualified men and women with a chance to experience the challenges and personal rewards of a police career and serves as a stepping stone to be certified through this agency's police academy. Upon completion of a cadet program, with additional testing, the program is designed to elevate cadets into the role of Deputy Recruit. Cadets must successfully complete all deputy entry level testing procedures during their employment and will submit to an extensive background investigation prior to their employment as a cadet and prior to their acceptance into the police academy. Cadets must further their education by enrolling in and passing college courses with a goal towards eventually earning a degree.
