Caroline County Department of Health (136) 403 S. 7th Street, Denton, MD 21629. **Main Purpose of Job:** An **Environmental Health Specialist Trainee** is the entry level of work at a local health department performing inspections and investigations to ensure compliance with environmental health laws and regulations. Protection of the public health is the main purpose of the Environmental Health Specialist position, protection more desirably obtained through voluntary compliance with the existing regulations or, when necessary, using compliance procedures established in regulation and law. This is an entry level position under close supervision from a higher level Environmental Health Specialist. **Education:** Determined by the Maryland Board of Environmental Health Specialists under the licensing requirements for Environmental Health Specialists. **Experience:** None. **Licenses, Registrations and Certifications:** 1. At the time of hire, candidates for positions in this classification must possess a certificate of eligibility to be licensed as an Environmental Health Specialist from the Maryland Board of Environmental Health Specialists. A copy of your certificate must be attached to the application. 2. Employees in

this classification may be assigned duties which require the operation of a motor vehicle. Employees assigned such duties will be required to possess a motor vehicle operator's license valid in the State of Maryland. **Selection Process:** Applicants who meet the minimum qualifications will be evaluated. The evaluation may be a rating of your application based on your education, training and experience as they relate to the requirements of the position. Therefore, it is essential that you provide complete and accurate information on your application. Please report all related education, experience, dates and hours of work. For education obtained outside the U.S., a copy of the equivalent American education as determined by a foreign credential evaluation service must accompany the application. All information concerning your qualifications must be submitted by the closing date. We will not consider information submitted after this date. **Benefits:** Contractual employees who work for an agency covered under the State Employee and Retiree Health and Welfare Benefits Program (the Program), have a current employment contract and work 30 or more hours a week (or on average 130 hours per month) may be eligible for subsidized health benefits coverage for themselves and their dependents. As a contractual employee, you will be responsible for paying 25% of the premiums for your medical and prescription coverage, including any eligible dependents you have enrolled. The State of Maryland will subsidize the remaining 75% of the cost for these benefits. You can also elect to enroll in dental coverage, accidental death and dismemberment insurance, and life insurance, but will be responsible to pay the full premium for these benefits. **Further Instructions:** Online application process is STRONGLY preferred. If you are having difficulty with your user account or have general questions about the online application system, please contact the MD Department of Budget and Management, Recruitment and Examination Division at 410-767-4850 or Application.Help@maryland.gov. If online process is not available, please send your paper application to: Maryland Department of Health, Recruitment and Selection Division, 201 W. Preston St., Room 114-B, Baltimore, MD 21201. The paper application must be received by 5 pm, close of business, on the closing date for the recruitment, no postmarks will be accepted. Incorrect application forms will not be accepted. If you need to submit additional information, the preferred method is to upload. If unable to upload, please fax requested information only to 410-333-5689. Appropriate accommodations for individuals with disabilities are available upon request by calling: (410) 767-1251 or MD TTY Relay Service 1-800-735-2258. We thank our Veterans for their service to our country, and encourage them to apply. As an equal opportunity employer Maryland is committed to recruiting, retaining and promoting employees who are reflective of the State's diversity. Should additional information regarding this recruitment be required, please contact the Maryland Department of Health Recruitment and Selection Division at 410-767-1251 or via email at dhmh.jobs@maryland.gov. (Date listed:)

Choptank Transport (486) Software Engineer – Preston, MD (Full time & Internships)

As a Software Engineer with Choptank, you will be on the front lines of building, developing, implementing, and maintaining custom-built applications. Join a growing company with a strong commitment to staying on the very cutting edge of technology - so much so that we've invested in our own team for it. (This position is based out of our Preston, MD HQ or Baltimore, MD office). Competitive base salary, benefits + wellness package, paid training, and more. To apply visit <https://careers-choptanktransport.icims.com/jobs>. (Date listed: 11/18/19)

Choptank Transport (485) Inside Sales Representative – Preston, MD (Full time)

As an Inside Sales Representative with Choptank, you will be on the front lines of helping customers to move their valuable products from point A to point B. You'll be prospecting leads, cold-calling on prospective accounts via phone, building relationships with your customers, and managing their accounts. Your accounts won't be "one and done," but rather long term associations that make a big impact on your customers' bottom line. Are you a smart, competitive, business-minded professional who isn't afraid to start from scratch and build a book of business on your own? Competitive base salary + lucrative incentive, benefits + wellness package, paid training, and more. To apply visit <https://careers-choptanktransport.icims.com/jobs>. (Date listed: 11/18/19)

Choptank Transport (484) Specialty Services Carrier Sales Support Representative – Preston, MD (Full time). After attending Choptank's award-winning in-house (paid) training program, you will be warm calling potential carriers to negotiate pricing, while ensuring your carriers know they have your support for anything that might happen along the way. This is your time to let your critical thinking skills shine through. We're not a "one and done" environment, and you are on the front lines of building relationships with those carriers as well. You will also be working with our sales department as well as your logistics team, so an excellent work ethic and communication skills are key. Competitive base salary + lucrative incentive, benefits + wellness package, paid training, and more. To apply visit <https://careers-choptanktransport.icims.com/jobs>. (Date listed: 11/18/19)

Resumes for the position will be accepted through December 31, 2020. Job Description: Summary and Purpose of Position: To maintain, improve and create processes and designs used in the manufacture of hermetic glass, metal and ceramic packages. Essential Functions and Responsibilities: The following duties are expected to be performed. Additional duties will be added based on demand: •Designs procedures based on customer specifications to meet mechanical, electrical, and optical requirements. •Set up of furnace profiles to meet process requirements. •Communicate accurately with Design and Product group in order to effectively set up routers. •Design and analyze experiments and reports to determine if designs meet functional and performance specifications. •Utilize statistical process control and D.O.E. to determine capability of processes and for continuous improvement. •Creates, analyzes, reads and interprets mechanical drawings, technical journals, customer specification, etc. (AutoCAD Inventor environment). •Designs production tooling through the use of CAM software. Other Duties, Responsibilities: The associate must be available for any shift or work schedule hours. Engineer is responsible for the proper set up conditions on primary equipment such as furnace temperature control, atmosphere, etc. Data collection and reporting to management, peers, and customers is expected. Supervisory Responsibilities: This position has no supervisory responsibilities. Competencies: Analytical & Design: Collects and researches data; designs workflows, procedures; and products, generates creative solutions; uses feedback to modify designs; demonstrates attention to detail; identifies and resolves problems in a timely manner; completes projects on time. Communication Skills: Focuses on solving conflict, not blaming; maintains confidentiality; keeps emotions under control; maintains positive attitude; responds promptly to internal and external customer needs; listens and gets clarification. Teamwork: Balances team and individual responsibilities; exhibits objectivity and openness to others' views; Gives and welcomes feedback; Contributes to building a positive team spirit; Supports everyone's efforts to succeed. Quality: Looks for ways to improve and promote quality; demonstrates accuracy and thoroughness; Monitors own work to ensure quality. Quantity: Meets productivity standards; works efficiently; Completes work in a timely manner; Strives to increase productivity. Diversity: Shows respect and sensitivity for cultural differences. Ethics and Professionalism: Works with integrity and ethically; Upholds organizational values; Conserves organization resources; Approaches others in a tactful manner; Treats others with respect; Accepts responsibility for own actions. Safety and Security: Observes safety and security procedures;

Reports potentially unsafe conditions; Uses equipment and materials properly. Adaptability: Adapts to changes in the work environment; able to deal with frequent change, delays or unexpected events in a high pressure environment. Dependability: Follows instructions, responds to management direction; Takes responsibility for own actions; Completes tasks on time or notifies appropriate person as needed; is consistently at work on time. Initiative: Seeks increased responsibilities; takes independent actions and calculated risks; asks for and offers help when needed; generates suggestions for improving work. Qualifications: •Bachelor of Science degree in Mechanical Engineering, Electrical Engineering, Material Science or equivalent experience is required. Understanding of mechanical and thermal dynamic behavior of dissimilar materials at elevated temperatures is vital. •Must have adequate computer skills with experience using Microsoft Office (Outlook, Excel, Word, etc.), and the ability to learn other internal software applications. •Must be able to use hand measuring tools such as micrometers and calipers as well as optical tools such as profile projector, digital vision system, and microscope. •Must be able to work with minimum supervision and capable of self-checking for completeness and accuracy of work produced. •Basic knowledge of 2D (AutoCAD) &/or 3D modeling (Inventor, Solidworks, etc.) is required. •Prior CAM software use/programming is desired. Physical Demands: While performing the duties of this job, the associate is regularly required to use hands to finger, handle or feel; reach with hands and arms and talk or hear. The associate is frequently required to stand, walk and sit. The associate must frequently lift and/or move up to 10 pounds and occasionally lift and/or move up to 25 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus. (Date listed: 10/17/19)

Fastenal (879) 807 Chesapeake Dr. Cambridge, MD. **Sales Associate (PT)** (Refer to MWE J.O. 1157498). Apply <https://careers.fastenal.com/jobs>. (Date listed: 4/29/20)

Fastenal (859) Management Trainee/Sales Associate (PT). Would you like to jump-start your career and learn what it takes to manage a business for an industry leader? The Fastenal Company would like to invite ambitious, hard-working individuals to apply for the position of Sales Associate. Applicants should be able to bring new ideas and improvements to business practices; work well independently and as part of a team; and demonstrate Fastenal's core values of Ambition, Innovation, Integrity and Teamwork. You can do this while working around your class schedule with flexible hours between 7am and 5pm, Monday through Friday. About Us: As a multibillion-dollar global enterprise specializing in industry-leading supply chain management solutions, Fastenal has grown steadily since its founding in 1967 as a small-town fastener shop. What's the secret to our success? Fastenal hires great people, supports them throughout their career, and encourages them to reach their full potential in pursuit of our common goal: Growth through Customer Service. As a growth company with a solid financial position, one that typically doubles in size every five years, Fastenal offers opportunities for our people, whether they're newly hired or seasoned veterans. If you have an entrepreneurial spirit and are looking to make your mark as part of an elite growth company, you won't find a better fit than Fastenal. Overview: You will have the opportunity to balance formal training with real-world experience managing a branch and working directly with customers. Through this opportunity you will expand your skills in Supply Chain Management, Asset Management, Distribution, Marketing, Merchandising, Procurement Systems, and Business-to-Business Sales. It's a great way to learn real-world skills in our fast-paced industry and potentially transition to a full-time position upon graduation, with ongoing opportunities for advancement. Responsibilities: The duties and responsibilities of this position include; though, are not limited to: •Developing and managing strategic customer partnerships. •Developing and executing focused marketing strategies. •Developing and overseeing strategic approaches to inventory management solutions. Required Position Qualifications: The following skills and qualifications are required for this position: •Strong computer skills and math aptitude. •Excellent written and oral communication skills. •Customer-service outlook. Apply Online: <https://careers.fastenal.com/>. The application is completed in two phases. Upon completing the online application you will receive directions to complete the telephone screening portion of the application. You as the applicant must call in to the company in order to complete your application and be considered for hire. Qualified candidates will be contacted for interviews thereafter. (Date listed: 4/20/20)

Tanglewood Conservatories (811) **Sheet Metal Fabricator**. Do you want to be part of a team that desires to excel while completing their goals? "Working on jobs like this is the highlight of my life ... EVERY piece of wood that makes up windows, doors we make by hand, from rough lumber. The intensity of how much I respect the folks I work with is becoming legend in my head." Chris, Craftsman "Most people just show up to work for a paycheck, nothing else, but I am actually proud of the work I am doing here. Being a craftsman, I take pride in my work and the unique work we do here. The look the client's face makes it all worthwhile. The look on their face when they walk into this space and their excitement, it's almost hard to put into words." – Dennis, Craftsman From the milling of the raw lumber; to cutting of parts on a CNC router; to assembling doors, windows, pilasters and corbels; to constructing posts and beams, walls and roofs; to the fabrication of copper roof panels and trim; to glazing of sash and glass roofs; to the installation of the final product and seeing our clients dreams become a reality. If your goal is to learn new skills and techniques and to have an opportunity to hone and display the skills you already have, join the Tanglewood team and grow with us. The first step is to fill out our online application. APPLY NOW at www.tanglewoodconservatories.com/careers or call Sheryl at (410) 479-4700 with questions. (Date listed: 3/27/20)

USA Fulfillment (910) 313 Talbot Blvd, Chestertown, MD 21620 - 410-810-0880 - woutten@usafill.com.

Warehouse Supervisor. USA Fulfillment is currently looking for a dynamic team member to join our growing company in our Chestertown, MD location. This individual will need to be a self-starter with a strong work ethic, capable of driving and maintaining high levels of accuracy and efficiencies in the day-to-day operations while leading and developing a strong warehouse team. This all-in-working warehouse supervisor is responsible for the safe and efficient performance of all operation processes, activities and documentation related to warehouse operations, which includes receiving, product handling, inventory cycle counts, optimizing space, returns, inventory transfers and truck loading in a fast-paced environment. Candidates must have excellent organizational, analytical, and interpersonal skills and be flexible with shift start and end times, as well as days worked, including weekends and holidays. Full benefits included! Required: 3 years supervisory experience of a team, computer skills in Word and Excel, experience working with a Warehouse Management System and the ability to lift 10-50 pounds. The ability to operate a forklift and order picker safely. To apply, complete a full application at USA Fulfillment's office between 8:30am and 3:00pm, M-F, or go online to www.usafill.com and submit a cover letter and resume. (Date listed: 5/12/20)

USA Fulfillment (909) 313 Talbot Blvd, Chestertown, MD 21620 - 410-810-0880 - woutten@usafill.com.

Maintenance Team Member. USA Fulfillment, a 3PL company with multiple locations in Chestertown, MD and Dover, DE is currently recruiting for a full-time Maintenance Team Member at our Chestertown location. We are looking for a reliable, skilled maintenance individual to perform essential upkeep tasks throughout our facility, both inside and outside. In this position, the Maintenance Team Member will be responsible for a wide variety of activities such as repairs, inspections and troubleshooting various equipment and systems, plus cleaning to ensure that our facility is both clean and functional. Being reliable and self-motivated with a keen eye for detail is essential in this job. Candidates must have excellent organizational, communication and interpersonal skills, and be flexible with shift start and end times, as well as days worked, including weekends and holidays. Full benefits included! Required: Proven experience as a maintenance worker or other similar position. Basic working knowledge of plumbing, electrical systems and HVAC. Experience working with tools, including hand and electrical tools. The ability to lift 10-50 pounds. To apply, complete a full application at USA Fulfillment's office between 8:30am and 3:00pm, M-F, or go online to www.usafill.com and submit a cover letter and resume. (Date listed: 5/8/20)
