

Valentine's Day is a good reminder that we are to Love Our Neighbors. At Angel Interfaith Network we endeavor to do that by meeting the urgent unmet needs of patients and their families at LAC+USC medical center.

Those We Serve:

Victor's mother was killed in a car accident. **Victor** was injured. When the tiny eight-year-old was well enough to be released from the hospital his aunt needed a car seat for him, because he was under weight. Angel Interfaith Network was able to help.

We received a call from the **Preemie Clinic** that 4-month-old twins needed clothing and Pampers. Their father had lost his job and the family has two other children. Angel Interfaith Network made their day, providing baby baskets with all the items they needed. Thanks to our Angel donors.

Marina was recently diagnosed with liver disease and can't work. Her husband just got a job in another city. Her Social worker asked for help with a utility bill and food coupons. Angel Interfaith Network came through with assistance.

Jerome is a six-year-old boy who was hit by a pick-up truck and air lifted to LAC+USC Medical Center from a nearby city. His doctor requested a voucher for two more nights at the nearby motel where they were staying. Happily, Angel Interfaith Network was able to help, thanks to you!

Network Partners:

The **Orthopedic Clinic** and **Rehabilitation Services** staffs at LAC+USC held a Christmas fundraiser in our honor. They collected adult towels and wash cloths and \$300.00 in gift cards. Orthopedic staff is pictured at the right.

Calvary Presbyterian Pre-School collected baby socks and toiletries for the Baby Baskets we assemble.

Shelter Partners has donated sweatshirts, athletic shoes, and underwear for the homeless along with some stroller for our babies.
