Nursing Rocks! Concert Series Coming to Copernicus Theater to Celebrate and Support Chicago's Nursing Community

Chicago, IL – June 7, 2024 The highly anticipated Nursing Rocks! Concert Series hosted by Jill Kimmel is set to take the stage at the historic Copernicus Theater on September 14th, 2024. This one-of-a-kind event aims to honor and support the Chicago nursing community with a night of electrifying performances and meaningful recognition.

The concert will feature an outstanding lineup of bands, including The Black Moods, Grey Daze, and PsychoStar, delivering unforgettable rock performances that are sure to energize the audience.

In a concerted effort to give back to those who tirelessly care for others, Nursing Rocks! is partnering with local businesses to host a Silent Auction, with all proceeds going towards Nursing Scholarships for the Chicago Nurse Community. This initiative will provide crucial financial support to current nurses, ensuring the growth and development of this vital profession.

Adding to the night's festivities, the inaugural "Nursing Rocks! Nurse Hall Of Fame" will honor exceptional nursing professionals in Chicago. Inductees will be selected based on nominations from their colleagues, celebrating their dedication, compassion, and outstanding contributions to the field of nursing.

"We are thrilled to bring together music and philanthropy to shine a light on the incredible work done by nurses in Chicago," said the event's organizer. "This event is not just a concert, but a celebration of the heroes in our healthcare community post Covid-19 Pandemic and an opportunity for local businesses to support the future of nursing in Chicago and other major cities throughout the U.S. We were so good as a country to honor

First Responders after 9/11 yet what have we done for the nurse communities nationwide post Covid-19 Pandemic? This is the answer to that question."
