From the earliest times, music has been an integral part of the life of Notre Dame Cathedral in Paris. From this place, the Notre Dame Choir School, with its magnificent polyphony, was born.

Hear this musical history come to life at Emmanuel Episcopal Church, where the choir kicks off their 2020 US tour. The choir is led by Henri Chalet, and joined by organist, Yves Castagnet. Proceeds to the event will benefit Emmanuel's Casavant pipe organ renovation as well as Notre Dame Cathedral's own re-building efforts.
