

**St. Timothy's Episcopal Outreach Center** is a ministry of the Diocese of Lexington focusing on ministry in and to the people of Appalachia in and around Estill County, Kentucky.

Much of the ministry involves home repair, children's ministry and community building and care. Begun in 1984, St. Timothy's is a permanent Jubilee Center of the Episcopal Church and has often been referred to as one of the "true Missions" of the Episcopal Church in that its primary purpose is not about "church attendance" but about ministering to people in the name of Jesus Christ.

**Accommodations:**

The Emmanuel group will be staying at the center, sleeping on cots with mattresses in air-conditioned rooms. There are multiple bathrooms and showers. There will be separate male/female sleeping rooms. We will have an industrial kitchen to prepare our meals.
