

Joys & Concerns

Date: September 9, 2018

Bruce Martin

Bruce Martin has a joy in that the July FEDS meal at the Shelter of Central Iowa marked ten years of such service to the homeless and hungry. This has been possible through the efforts of a loyal, untiring cadre of volunteers, who currently serve almost 3000 meals annually for the shelter and the Children and Family Urban Ministry. Anyone wishing to join this effort would be welcome to add to Bruce's joy by contacting him.
