	Legend					
	Metric is within the limit that would allow consideration to move up to next Level					
	Metric is slightly above the limit that would allow consideration to move to next level					
	Metric is well above the limit that would allow consideration to move to next level					
	The methodology used to determine the positivity test rate has been changed, resulting in a substantially lower value being reported. The values in line 1 are based on the new reporting methodology.
