Welcome our new director Kathleen Albrecht as she leads the “On a Positive Note” chorus in practicing favorite and familiar songs to be performed at these events. This chorus is especially designed for those experiencing memory loss and their loved ones. No special musical skills are required. Plan to attend and put a little music in your life! It is not necessary to attend all rehearsals to participate.

For safety reasons, everyone needs to attend with at least 1 partner!

*Please let Lynn Ann know if you can join in this musical adventure by calling
920-225-1711 or emailing her at lynnann@foxvalleymemoryproject.org.*
