

TEAM PuntaGorda

Volunteers For A Better Community

WELCOME ABOARD NEW 2024 NEW BOARD MEMBERS

Barry Simescu of Punta Gorda and Plymouth, Michigan has been involved with TEAM in a leadership capacity on an array of volunteer projects over the years, including TEAM's bike loaner program, Pedal and Play, and Paint Your Heart Out Punta Gorda. He looks forward to further these programs and new TEAM efforts.

Charlotte High students Josephine Martin (l.) and Siena Pirri (lower r.) have both demonstrated leadership skills in their respective school and community activities. Both are members of the NJROTC. Josephine indicated she would like to encourage teenagers to become more involved with the community and would like to get TEAM and the ROTC more involved with each other. Siena enjoys networking and hopes to develop these skills working with TEAM leaders and further involve her school peers in community service projects.

On behalf of the entire board of directors, we welcome their volunteer service.

Nancy Johnson, CEO
Betsy Spagnolo, President
Darcy Hanley, Vice-President
