

Individual What to Bring List

Dido Youth Mission 2021

signature on the Liability and Medical Release Form indicates you have seen and agree to the Dido UMC Dress Code. All participants are expected to wear modest clothing. Please carefully consider fit/tightness and length/overall coverage of clothes. Do not bring clothing with content advertising or related to alcohol, drugs or sexual behavior. Dido UMC adults/leadership reserve the right to request a change of clothing.

Consider fit/tightness Consider overall coverage of clothes. Length of shorts for evening activities should be conservative, using fingertip length or mid thigh as a guide).

- Legging/tight pants are OK at the Church and only if you are wearing a long, loose shirt as a top that easily covers your bottom.
- Jeans with “fashionable” holes/rips are not allowed at the Church or on the Worksite.
- Shorts are ok only if the shortest part of the shorts meets the mid-thigh or fingertip guide.

Work Clothes

Bring enough clothes for the entire week. Expect a week filled with hard work, sweat, paint and dirt. Don't bring your favorite clothes for work.

- Shirts with sleeves (sleeves may not be rolled). No tank tops.
- Long pants (must be worn at all times while working at the Worksite. Pants may not be rolled up.) No leggings on the Worksite. Scrubs are ok.
- Work Shoes (for safety reasons must be enclosed shoes, old tennis shoes are fine if they have a good sole)
- Cap, visor or bandana for sun protection

Casual Clothes

- Pants/capris/shorts for evening activities (length should be conservative, fingertip length or mid-thigh as a guide)
- Shirts for evening activities (sleeveless shirts are not allowed for boys or girls)
- Tennis Shoes
- Shoes for shower (flip flops, water shoes, etc.)
- Swimsuit (modest one piece) or with a t-shirt over a two piece

Personal tools

Mark tools clearly with your name so you will be sure to take them home with you.

- Claw Hammer (16 oz. suggested)
- Safety goggles
- Pencil

- Nail apron (cloth or leather)
- Dust mask
- Tape measure
- Work Gloves (not “garden gloves”)
- Sturdy/Reusable Water Bottle

Tool tip: Many participants pack their tools in an empty 5-gallon paint bucket with a lid that snaps on securely. This doubles as a personal seat on the Worksite. Be sure to clearly label your tool box/tool bucket with your name.
