

***THE SOLUTION FOR
INDEPENDENT RETAIL PHARMACIES
SERVICING LONG-TERM CARE***

COMBOMED™

WHAT IS COMBOMED™?

com·bo·med \ käm-(,)bō\ med

1: a GeriMed program that allows an existing community retail pharmacy serving patients in both retail and in various Long-Term Care (LTC) settings to gain access to enhanced reimbursement, cost of goods, and other advantages traditionally associated with a 'closed-door LTC pharmacy' designation.

DO YOU OPERATE A 'COMBO PHARMACY'?

Many retail independent pharmacy operators and owners are unaware that they have ventured into the LTC pharmacy sector. You operate a combo pharmacy if you're currently providing compliance packaging to any of the following LTC settings:

- Assisted Living Facilities
- Skilled Nursing Homes
- Group/Personal Care Homes
- Correctional Facilities
- Intermediate Care Facilities – Individuals with Intellectual Disabilities (ICF-IID)
- Hospice
- Independent Living/Medical at Home
- Developmentally Disabled Group Homes
- Chronic Psychiatric Facilities

COMBOMED™

BENEFITS

ComboMed™ is tailored to enhance your reimbursement through the following:
