Dear Summit Grove Community & Friends,

I am honored to have recently accepted the position of Executive Director at Summit Grove. I am both excited and humbled to help usher SG into its future mission and vision. There is a rich legacy of God's work in and through this place in its nearly 200-year history, and I believe God is and will continue to be at work here for many years to come. God is doing something new! Thank you for being with us on this journey.

On behalf of my family -- my wife Lauren and our three young boys, Grady, Miles and Trace, we look forward to meeting you, serving you, and working side-by-side with you all to see God's purposes for Summit Grove fulfilled. It has always been a hospitable and peaceful place, and we look forward to honoring our past, pursuing our future, and serving God, our local community, and the nations of the world for years to come.

Blessings,

Dustin Kunkle
