DREAM INCENTIVE GRANT 2025

All of our Alliance churches are eligible to apply for the Dream Incentive Grant. Like last year, the grants will be awarded in the form of services that you can choose from our following implementation partners. This grant is made possible through a generous donation from Orchard Alliance.

Alliance ESL will provide an English as a second language (ESL) teacher training workshop to churches. To know more about the ESL DIG grant, [please watch this video.](#)

Christian Immigration Advocacy Center (CIAC) will provide church assessments/consultations, CIAC intake partnership training, and immigration legal services. To know more about the CIAC DIG grant, [please watch this video.](#)

Refugee and Immigrant Network (RAIN) will provide specialized training for your church to serve as a health and wellness support hub, host and guardianship resource hub, and (in partnership with CIAC) an immigration law support hub. RAIN will also offer church welcome ministry training (that may include a small project grant) to those new to global neighbor ministries. You may apply for a grant using the online application link below. Your application may include a maximum of one service from each partner.

Submitted applications will go to your district superintendent for review and approval. Once your district superintendent completes their application section online, it will be automatically sent to our office for review. All applications are due by July 31, 2025. District superintendent approvals will be completed by August 15, 2025. A team at the National Office will consider each grant prayerfully. Grant recipients will be announced by September 30, 2025. We can't wait to hear the dreams that the Lord is stirring in your hearts!
