Retirement Cards/Gifts/Monetary Gifts

Cards or gifts are entirely at your discretion. Here are a few ideas.

- A gift card to Bass Pro Shops or Cabela's will allow Doug to stock up on golf or fishing gear.
- Julie loves to journal and enjoys beautiful lined journals. She always appreciates having beautiful little tissue packs on hand for their travels.
- Their favorite restaurants include: Manalu Italian Restaurant, Silver Diner, and Baltimore Coffee & Tea.

Thoughtful touches such as these tailored just for them will make the evening even more memorable.

Table Décor Contribution

Doug enjoys golfing and fishing—two hobbies he's excited to spend more time on! His fishing tackle box is still a little sparse, so we're suggesting unwrapped fishing lures or small golf items to be placed in the table centerpieces. This is also a fun and simple way for pastors to involve church members.
